#### COUNCIL COMMUNICATION

Department: Public Works

Ordinance No.\_\_\_\_\_

First Reading May 24, 2010

Case/Project No.: FY10-04B

Resolution No.<u>10-174</u>

Applicant: Matthew Cox, City Engineer

#### SUBJECT/TITLE

Council consideration of a resolution accepting the work of Andersen Construction Company as complete and authorizing release of the retainage after 30 days if no claims are filed in connection with the Stormwater Relief Wells. Project #FY10-04B.

#### **BACKGROUND/DISCUSSION**

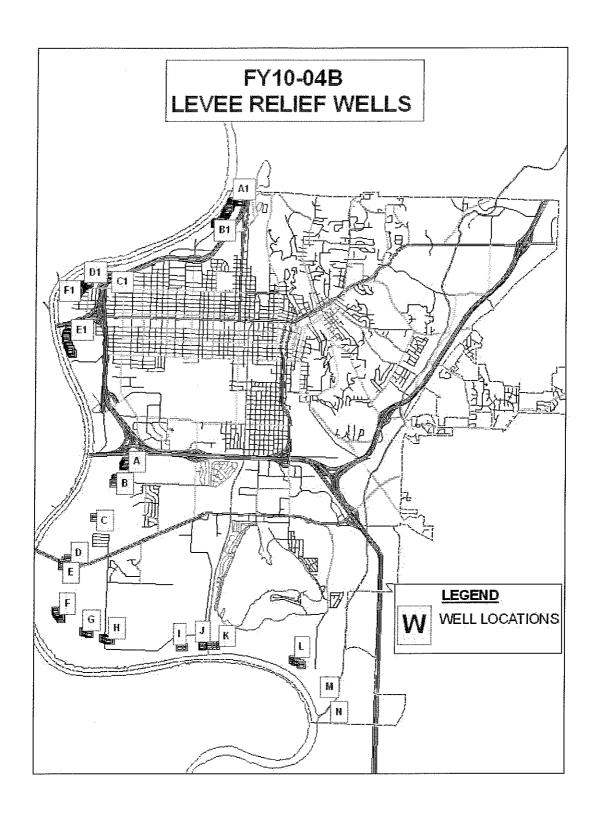

- Missouri River Levee system was completed in the late 1950's.
- Over 170 relief wells were installed with the original levee improvements. The wells are located in various locations all along the dryside of the levee system.
- The relief wells assist with levee stability during high water events, by "relieving" hydraulic ground water pressures between the wet and dry sides of the levee.
- Recent relief well inventory and assessments determined over 138, (80%), of total number of relief wells to be at or near the end of their service life.
- In 2006, the Corps of Engineers through the River Bend Project replaced 22 of the original 170 relief wells.
- Public Works has begun a levee relief well maintenance program to ensure operation of the new wells.
- The City's relief well replacement efforts will begin with this project. Nineteen (19) wells were replaced under this project.
- As funds become available, more relief wells will be replaced annually.
- This project is FY10-04B in the CIP. The funding is \$250,000.00 in FY08 GO Bonds and \$26,475.94 from Community Disaster Grant.

Notification Letter #2010-M-9

DLERK SLERK MARIA

The Honorable Thomas Hanafan Mayor of Council Bluffs 209 Pearl St. Council Bluffs, IA 51503-4270

Dear Mayor Hanafan:

DECEIVED
MAY 1 2 2010

This is official notification to your City Council that the Iowa Department of Transportation (DOT) proposes to let a Portland Cement Concrete (PCC) patching project on I-80 from the Missouri River east to the Cass County line on June 15, 2010. A part of said project lies within the city.

The work will be done in accord with the current Form 810034 "Agreement for Primary Road Extension Maintenance and Operation". Project costs will be paid from the Primary Road Fund and no charges will be made against the City.

The project is proposed for construction during 2010.

Resident Engineer, Orest Lechnowsky, of Council Bluffs, Iowa, telephone number 712-366-0568, will advise you of the contractor's proposed schedule when the information is available.

We would appreciate this project notification being included on your next City Council meeting agenda as a matter of information for the Council members.

If you have any questions concerning the work involved, please contact this office as soon as possible in order to expedite any possible changes.

Sincerely,

John R. Selmer, P.E. District Engineer

Deck Joint Repair on US 6

The Honorable Thomas Hanafan Mayor of Council Bluffs 209 Pearl St. Council Bluffs, IA 51503-4270

Dear Mayor Hanafan:

This is official notification to your City Council that the Iowa Department of Transportation (DOT) proposes to let a deck joint repair project on westbound U.S. 6 over Mosquito Creek 1 mile west of I-80 on May 18, 2010. A part of said project lies within the city.

The work will be done in accord with the current Form 810034 "Agreement for Primary Road Extension Maintenance and Operation". Project costs will be paid from the Primary Road Fund and no charges will be made against the City.

The project is proposed for construction during 2010.

Subject to the approval of, and without expense to the DOT, the City agrees to perform (or cause private utilities to perform), all relocations, alterations, adjustments or removals of existing utility facilities including but not limited to power, telephone and telegraph lines, natural gas pipelines, water mains and hydrants, curb boxes, utility accesses, sanitary sewers, and related poles, installations and appurtenances, whether privately or publicly owned, and all other facilities or obstructions which are located within the limits of an established street or alley and which will interfere with construction of the project, all in accordance with the Utility Accommodation Policy of the DOT.

Resident Construction Engineer, Orest Lechnowsky, of Council Bluffs, Iowa, telephone number 712-366-0568, will advise you of the contractor's proposed schedule when the information is available.

We would appreciate this project notification being included on your next City Council meeting agenda as a matter of information for the Council members.

Michael Sciortino 209 Pearl Street Council Bluffs, IA 51503

Dear Mr. Sciortino,

### Re: False Arrest Claim of Ms. Anna Barron

Please be advised that I am the legal counsel for Ms. Barron in her claim against Dr. Krista Hill and Alegent Health Clinic and potentially the City of Council Bluffs Police Department for false arrest. Ms. Barron was falsely arrested and forcefully removed from the Alegent Health Clinic premises by the Council Bluffs Police Department on October 23, 2009. She was handcuffed and taken to jail and then released later that day with no charges. This caused Ms. Barron great emotional distress and lost wages.

We request that you provide copies of the police incident report for the date of October 23, 2009. Please provide this information as soon as possible.
